S.B. CIVIL WRIT PETITION NO. 5094/2001

M/S S.P.M. AUTO (P) LTD. Vs. STATE OF RAJASTHAN & ORS.

Date: 10.10.2007.

HON'BLE MR. JUSTICE K.S. RATHORE

None present for the petitioner.

Mr. A.K. Sharma with
Mr. Vishnukant Sharma for the respondents.

****

Brief facts of the case are that the petitioner Company established a manufacturing unit for manufacturing of rear axle shaft after purchasing a sick unit from R.F.C. On 28.01.97 and loan was also sanctioned to the tune of Rs. 49 lacs. After starting manufacturing, being a S.S.I. Unit the petitioner company applied for grant of State Capital Investment Subsidy of Rs. 15 lacs to the RIICO on 25.03.98 and the case of the petitioner was examined by the State Level Committee in its meeting dated 30.03.98 and the same was rejected. The rejection of application for grant of subsidy is under challenge in this writ petition.

I have gone through the averments made in the writ petition and heard the submissions made on behalf of the respondents.

The petitioner has not got registered its company under the Subsidy Scheme, 1990 according to the amended notification dated 03.02.98 in the concerned Industries Centre which was essentially required under the Scheme and as per the Subsidy Scheme, 1990, those companies who are eligible for getting the benefit of the scheme should have got registered in the State Level Committee and District Level Committee before 30.04.98 according to the notification dated 03.02.98, but the petitioner company was not registered and, therefore, the application for grant of subsidy was rejected by the State Level committee.

Thus, I find no illegality in the order impugned dated 03.02.99 and the letter dated 15.03.99, which are under challenge in this writ petition and also do not find any merit in the writ petition.

Consequently, the writ petition fails being devoid of merit and the same is accordingly dismissed.
